Η ιστορία του ελληνικού κρασιού καλύπτει μία εξαιρετικά μεγάλη χρονική περίοδο, τη μεγαλύτερη παγκοσμίως.

όσον αφορά τη συνεκόμενη καλλιέργεια της αμπέλου και τη διαχρονική παραγωγή οίνων. Η απαρχή της αμπελοκαλλιέργειας στον ελληνικό χώρο ξεπερνά τους ιστορικούς χρόνους και χάνεται στα βάθη των αιώνων. Από τότε, το αμπέλι και το κρασί συνοδεύουν την Ελλάδα και τους κατοίκους της μέχρι τις μέρες μας, χωρίς διακοπή!

WINE LIST

The history of Greek wine covers an extremely long period of time, the longest in the world, in terms of the continuous cultivation of the vine and the timeless production of wines. The beginning of viticulture in Greece goes beyond historical times and is lost in the depths of centuries. Since then, the vine and wine accompany Greece and its inhabitants until today, without interruption!
